Please Note:

Bore on all mouthpieces is a #27
The standard backbore on the 'S' and
'M' cups is our #3.

The standard backbore on all 'C'
cups is the #7

All models are available as a cornet
or piccolo mouthpiece.

Each inner rim size has a
corresponding sized Flugelhorn
mouthpiece.

Trumpet mouthpieces are available
in two weights; **Regular** and **Heavy**.
